INFORMATION FOR AMATEUR PERFORMANCE

If you wish to stage one of our plays please fill in and return our questionnaire. Before issuing permission we have to check that your planned performances will not collide with performances of professional theatres in the same region. Should that not be the case you will receive a contract and invoice for the indicated time and places of performance. The obligatory royalty is 6% of your revenue but in any case minimum Euro 54.00 per performance (for staging *Die Dreigroschenoper* it is 8% with a minimum of Euro 66.00 per performance). If the play you wish to present is bound to a specific translation represented by Suhrkamp Verlag the royalty is 10% of your revenue, with a minimum of Euro 78.00 per performance. If the performance is free of charge you will have to pay the minimum royalty of Euro 54.00 respectively Euro 66.00 for *Die Dreigroschenoper* and Euro 78.00 for a translation represented by Suhrkamp Verlag (this concerns English language translations of works by Peter Handke and Max Frisch).

If the play is accompanied by music we will hand out the necessary sheet music against a fee. You may not use another music than the one intended for the play.
